January News (3A, 3B, 3C)

Welcome Back!! I hope all of you had a fun and relaxing Christmas break - spending time with family and celebrating Jesus' birth.

Parent Observations

January is parent observation month. Sign-up sheets will be posted at school similar to those for conferences. Observation times will be available through January and into February until all parents who wish to come and observe have had an opportunity to do so. Look on the sign-up sheets available to determine if the time you are signing up for will be a more teacher-directed or child-directed time. Some parents prefer to come to observe how his/her child plays on their own and with their classmates, while others would rather see them in a more directed activity.

Special Dates:

Monday, January 16 -
Martin Luther King Jr. Day - NO SCHOOL
Friday, January 27 -
Staff Development - NO SCHOOL
