## November News (5A)

### Conferences

Conferences will be held November 14, 15, 16, 17 and 21. Conference sign-up sheets are available outside of the classroom with a variety of times offered. Please use the sign-up sheet if possible, but if you do not usually drop off and pick up your child, feel free to call me at home to set up a time. If you are unable to find a time that works for you, let me know and we can work out a time together.

### What we're doing

We continue to focus on our letters of the alphabet, along with journal and counting activities. We are continually learning new songs and start many days with our "Count to 100" exercises. Hopefully you are hearing some of these songs at home.

Each week, the children bring home a small "letter of the week" reader. Their job is to find the letter of the week and highlight it. I read the book with each child when they are finished. Please take time to read over the book with your child at home, and save them if you can, to review later. As more worksheets start to come home, please take a few minutes to ask them about it. Any extra review is great and gives them a chance to test their memory of what we did.
