

Count ME In!

As we move forward with our building project we are going to need volunteers to assist on many different levels. Over the years, we have been very fortunate to have so many members who give so generously of their time and talents.

Please consider volunteering to help this transition go as smoothly as possible. Our goal is to collect as much information about each volunteer and their skill levels up front so that as needs arise over this next year we will have a data base of people who fit the necessary requirements of the project in front of us at the time. We will need people of all ages and skill levels. So please consider taking a moment to fill out the form below and return to the church office. This form will also be available on our website: www.tlcowatonna.org.
